

EXECUTIVE ORDER NO. 2026-01

DESIGNATION OF MUNICIPALLY DESIGNATED AREAS FOR THE DISCHARGE OF FIREWORKS

WHEREAS, on June 25, 2026, Governor Spencer J. Cox issued Executive Order declaring a State of Emergency and authorizing municipalities to designate areas where fireworks may be discharged; and

WHEREAS, the Governor's Executive Order authorizes the Mayor and Fire Chief to jointly designate Municipally Designated Areas for the lawful discharge of fireworks within Richfield City; and

WHEREAS, after reviewing local conditions, the Mayor and Fire Chief have determined that the areas identified on the attached map as Municipally Designated Areas are predominantly developed residential and commercial areas with limited wildfire fuels, are readily accessible by emergency responders, and do not constitute extremely hazardous fire areas; and

FURTHER, nothing in this Order is intended to modify or alter the lawful dates and times for the sale or discharge of fireworks established by Utah Code Section 53-7-225.

NOW, THEREFORE, pursuant to the authority granted by the Governor's Executive Order, I, Bryan L. Burrows, Mayor of Richfield City, with the concurrence of Fire Chief Dustin Anderson, hereby order:

1. The areas identified on the attached **Richfield City Municipally Designated Areas Map (Exhibit A)** are hereby established as the Municipally Designated Areas within Richfield City where the discharge of fireworks is authorized during the dates and times permitted by Utah law. The attached map is incorporated into this Executive Order by reference.
2. The discharge of fireworks remains prohibited in all areas excluded from the Municipally Designated Areas on Exhibit A, in any area determined to be an Extremely Hazardous Fire Area, and in any location otherwise prohibited by state law.
3. This Executive Order shall take effect immediately upon execution and shall remain in effect until the Governor's Executive Order expires or is otherwise rescinded.
- 4.

EXECUTED this 29th day of July, 2026.
